

HEAVENLY INK  
CREDENTIALING™

# Heavenly Ink Credentialing™

Your Trusted Credentialing Partner for Providers & Clinics

## At A Glance

Whether you're launching a new practice or scaling operations, we act as an extension of your back office handling credentialing, and payer enrollment with precision.

Our purpose is simple: keep providers compliant, enrolled, and focused on patient care not paperwork.

## CHALLENGES

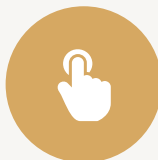

Providers are often overwhelmed by:

- Outdated or rejected CAQH/NPI profiles
- Delays from incomplete payer enrollment
- Missing compliance or license documentation
- No centralized tracking system
- Limited internal admin capacity

## SOLUTIONS

We help healthcare providers and organizations maintain compliance through streamlined credentialing, and payer enrollment. As your outsourced credentialing partner, we handle the admin so you can focus on delivering quality care.

**Credentialing  
Setup**

**Compliance  
Oversight**

**Payer  
Enrollment**

## BENEFITS

1

### Hands-Off Process

Our team handles the full admin workload — from forms to follow-up.

2

### Increased Efficiency

We reduce paneling delays and improve time-to-cash for new providers.

3

### Custom Support

Every provider gets a dedicated onboarding rep and live support.

Need credentialing support that works...

CREDENTIALING™

# Packages

Packages tailored to your practices. Support built around your growth.

## Who We Work With

- Startups and Existing Healthcare and Wellness Clinics.
- Regenerative Medicine, Integrative and Holistic Clinics.
- Mental Health Clinics and Therapy Centers

## Not sure if environment is open?

No problem! We'll check for you before you commit.

## Services

### Provider Credentialing

- Fast, accurate enrollment
- Less admin, more patient time

### Facility Credentialing & Privileging

- Stay compliant, stay ready
- Smooth onboarding & renewals

### Billing Services

- Faster payments, fewer errors
- Clean claims, maximized revenue

## CREDENTIALING MADE SIMPLE

### 1 Enrollment Check

We offer a quick verification to see if enrollment is open with your payers:

- \$25 – Up to 10 carriers
- \$50 – Corporate or multi-provider check

If you move forward, this fee is applied toward your full package.

### 2 Choose Your Package

We don't just credential – we customize. Once we confirm enrollment options, we'll walk you through the right plan for your clinic's stage and goals.

## What to expect

- Hands-off credentialing & follow-up
- Ongoing compliance & renewals
- Personalized onboarding and support
